OFFICE OF VICE PRESIDENT FOR ACADEMIC AFFAIRS

2005-2007 Vice President for Academic Affairs/Consultant
 Gulf University for Science and Technology, Kuwait

Gulf University for Science and Technology, founded in 2002, was the first private university in Kuwait. The appointment spearheaded program preparation for a permanent campus in Mishref Kuwait. A rapidly growing

student government scholarship enrollment, undergraduate and graduate degree initiatives, administrative structures and faculty appointments were managed. In addition, student scholarships for study abroad, faculty summer research grants, a business research center, an Islamic banking certificate, electronic and print expansion of the A. M. Al-Raferi Library and opening of a GUST bookstore were achieved.

Administrative Achievements

Hired academic administrators, chairs and deans
Coordinated three degree feasibility studies – MBA, Environmental Design, Mass Communication
Developed institutional programming with the University of Missouri St. Louis
Initiated reorganization of senior administrative positions
Created and appointed four departmental chair positions
Coordinated revision of university web site and Internet services
Established the Center for Professional and Continuing Education
Established the Business Research Center
Established the Office of Academic Excellence and Freshman Advisement
Established the A. M. Al-Raferi American Corner Library (funded by U.S. Embassy Kuwait)

CENTER FOR ADULT AND CONTINUING EDUCATION (now School of Continuing Education)

1992-2005	Dean Center for Adult and Continuing Education The American University in Cairo
1992-present	Professor Emeritus College of Education College of Technical Careers (College of Applied Arts and Sciences) Southern Illinois University at Carbondale

The American University in Cairo is a not-for-profit higher education institution registered in Washington, DC accredited by the Middle States Association. The position of Dean for the Center of Adult and Continuing Education reported to the President serving as one of six institutional officers of the University (serving as Acting President in the President's absence from campus) and serving as a permanent officer on the President's University's Emergency Crisis Committee. The Center was responsible for on- and off-campus certificate programs with off-campus programs in Egypt, Bahrain, Saudi Arabia, Yemen, Jordan, Syria, and Kuwait. With an annual headcount of 35,000 students from 19 countries, the Center's funded training projects were in excess of \$4.5 million. Examples included project management, English as a second language, CPA examination preparation, a financial analyst program, a workforce education project, Internet security program, World Bank conference translations, and Egyptian Ministry education policy reform project.

Administrative Achievements

Reorganized the Center's administration, certificates, program delivery and market structures
Developed a five year outreach plan for off-campus programming in the Middle East, North Africa and Eastern Europe
Developed, implemented and completed a five year strategic plan, "A Path to Enhance Excellence", AUC Century Committee, Board of Trustees
Developed and maintained policies and procedures manual for the Center's operations
Initiated and expanded \$30m research and training grants
The Arab Academy for Science and Technology, EU, USAID, UN, Ministry of Education, Ministry of Tourism, Ministry of Communication and Information Technology, and Egyptian national libraries

Directed 1993/1998 CACE Middle States Association Accreditation reviews
Established public service programs to and through CACE attendance centers
Established teleconference courses in English language and management
Instituted development of WebCT courses
Implemented a U.S. Summer Curriculum Workshop for elementary/secondary teachers
Established a Middle East online learning with online credit card payments in Middle East currencies (CACE-learning.aucegypt.edu)
Founded and staffed the Smart Village Center as a nexus point between the University and the Egyptian professional community.
Developed vocational/technical education programs in health care and electronics Board of Trustees reports

OFFICE OF ACADEMIC AFFAIRS AND RESEARCH

1989-1992	Associate Vice President/Professor Academic Affairs and Research Southern Illinois University at Carbondale
1989-1992	Professor Division of Advanced Technical Studies Department of Educational Administration and Higher Education Department of Community Development
1991	Visiting Professor Northeast Normal University People's Republic of China
1989	Visiting Professor Vladimir Polytechnic Institute Russia

As Associate Vice President for Academic Affairs, the position was responsible for personnel, budget, and staff development functions for 1,400 faculty/researchers, and 1,900 civil service/administrative professional positions including appointments to the president's office. In addition to the management of an academic affairs budget in excess of \$90 million, direct report responsibilities included Southern Illinois University's airport operations, ROTC programs, School of Social Work, Division of Continuing Education, U.S. Off-Campus Military Degree Programs, Southern Illinois regional economic development initiatives, faculty grievance procedures and coordination of legal personnel updates to and responses of the Board of Trustees.

Administrative Achievements

- Initiated a direct computer data entry management system for academic/support units
- Established fiscal officer workshops for academic/support units
- Developed approval systems for affirmative action procedures
- Developed fiscal management structures for collegiate units
- Formulated multi-year budget planning processes
- Developed academic closure policies and procedures for off-campus military programs/facilities
- Provided Board of Trustees grievance reviews
- Developed strategic planning documents for organizational change, e.g. program consolidation
- Formulated procedures for the writing of department and college operating papers
- Established policies and procedures for vendor relationships
- Managed computer access/security system for academic affairs
- Managed institutional freedom of information policies and requests
- Drafted Board of Trustee reports for the office of the President
- Initiated program linkages with higher education institutions in Costa Rica, USSR, Thailand
- Initiated an Upward Mobility Program for State of Illinois University employees
- Established participation in the National Faculty Exchange Program
- Served as Acting Vice President for Academic Affairs and Research and Acting President
- Acted on behalf of the President with community/civic organizations
- Represented the University with law firms for legal actions

COLLEGE OF TECHNICAL CAREERS (now College of Applied Arts and Sciences)

1980-1989	Dean/Professor College of Applied Arts and Sciences -former College of Technical Careers Southern Illinois University at Carbondale
	Professor Department of Advanced Technical Studies Department of Educational Administration and Higher Education Department of Community Development Southern Illinois University at Carbondale
1982	Fulbright Scholar University of Benin, Republic of Togo

As a senior academic officer of Southern Illinois University at Carbondale, the College was the largest collegiate unit in the University with 4,200 majors and 400 full/part-time faculty and professional staff.

Responsibilities included academic programming, personnel, facility management, faculty and student recruitment/retention and fiscal accounting. The College's annual state operating budget of was in excess of \$10 million dollars. The position provided administrative support and assistance to the Vice President for Academic Affairs and to the President for airport operations, regional economic development and community college articulation agreements.

Administrative Achievements

Established three SIU Foundation endowment accounts

Developed and restructured a University photo service center in conjunction with a degree program in photographic production

Directed the construction and funding of aviation facilities at Southern Illinois Airport and the remodeling of facilities at Southern Illinois University's Carterville Campus

Initiated an external funding agenda for international programs

Developed seven new degree programs and five specializations

Established an alumni association with an elected board of officers, an endowed scholarship fund, alumni newsletter and an annual outstanding alumni award

Initiated industry/education linkage agreements with General Motors, Kodak, Noritsu, United Airlines, Bell Helicopter, IBM, ALCOA

Developed 42 credit correspondence courses

Organized international conferences held in the Philippines, Thailand, Costa Rica

Signed international college-to-college agreements with higher education institutions in Korea, Philippines, Malaysia, Costa Rica, Thailand

Expanded off-campus baccalaureate degree programs with U.S. military installations in the United States, Germany, and England

Established annual scholarship fundraisers

Instituted comprehensive recruitment procedures

Directed program accreditation reviews for degrees and academic units

DEPARTMENT OF EDUCATIONAL LEADERSHIP (now Department of Educational Administration and Higher Education)

1975-1980 Chair/Professor
Department of Educational Leadership
Southern Illinois University at Carbondale

Director
Region V Adult Education Service Center

1980 Visiting Professor
Ministry of Education, Malaysia
Sabah Foundation

1978 Research Professor
Ministry of Education, Thailand

Responsibilities as chair of the Department of Educational Leadership included revisions of master and doctoral degree programs and development of program offerings in school administration, educational foundations, adult and community education and curriculum theory. As departmental chair, responsibilities included 20 faculty members with ten PhD graduate assistants. A school administration program initiative with State of Illinois entitlement was instituted for women and minorities, an international program for overseas school administrators and accreditation responsibilities for Region 13 of the North Central Association were initiated and sustainably implemented. A series of statewide workshops/conferences were implemented for public school and community college administrators on adult and community education.

Administrative Achievements

Developed graduate residency centers and a statewide network of adult education centers

Established a master's degree program in adult and community education

Revised departmental graduate programs in educational administration

Directed six Robert A. Taft Institute of Government Seminars

Developed management courses for off-campus military degree programs

Expanded external grant funding by 45 percent

- Established a project for credentialing women and minorities in public school administration
- Formed institutional linkages with international community schools in foreign countries
- Developed departmental operating paper

DEPARTMENT OF SECONDARY EDUCATION (now Department of Curriculum and Instruction)

1972-1975	Chair/Professor Department of Secondary Education Southern Illinois University at Carbondale
1970-1972	Assistant/Associate Professor Southern Illinois University at Carbondale

As chair of the Department of Secondary Education, responsibilities included undergraduate teacher education programming and graduate programs including the master's, specialist, and doctoral degrees. With a core of 10 faculty members and 15 cross-appointed faculties from the College of Liberal Arts and the College of Science, an emphasis was placed on revising core course requirements for graduate degree programs, establishing off-campus graduate course offerings with public school districts, establishing a public school research center, and coordinating North Central Association's self-study planning and school visitations. Research funding was increased by 35 percent and professional advisory committees were established. A study in Adult Education Center was established to coordinate and enhance regional assistance for secondary and post-secondary institutions for non-traditional adult learners.

Administrative Achievements

- Revised departmental master's degrees
- Established the Studies in Adult Education Center
 - Established a research center to serve public schools within southern Illinois
 - Enhanced departmental external funding by 35 percent
 - Formed external advisory committees to enhance public school research
 - Coordinated self-studies and team assessment visits for the North Central Association's Region 13

The University of Nebraska - Lincoln

1968-1970	Research Instructor Teachers College The University of Nebraska Public/Independent School Accreditation
1964-1968	Teacher and administrator, Nebraska

EDUCATION

1970	Ed.D., Teachers College The University of Nebraska
1967	M.E., Teachers College The University of Nebraska
1963	B.A., Carroll College Waukesha, Wisconsin
1961	Diploma University of Stockholm, Sweden

AWARDS/PROFESSIONAL SERVICES

- Excelsior Leadership Award, Gulf University for Science and Technology, 2007
