

VENUSIA COVELLI

EDUCATION

- CATHOLIC UNIVERSITY OF MILAN Milan, Italy
Master's Degree in Social and Developmental Psychology December 2003
Thesis: *Perception of changes in the world of work and support for the right-wing: an analysis of social identification processes.*
Advisor: Prof.ssa Patrizia Catellani
- CATHOLIC UNIVERSITY OF MILAN Milan, Italy
Ph.D. in Psychology February 2009
Thesis: *Counterfactual reasoning in political discourse and its effects on the perception of leaders.*
Advisor: Prof.ssa Patrizia Catellani
- CATHOLIC UNIVERSITY OF MILAN Milan, Italy
University-level Postgraduate Diploma in Bioethics March 2012
- CATHOLIC UNIVERSITY OF MILAN Milan, Italy
University-level Postgraduate Diploma in Disability & Case Manager March 2013
- School of Psychotherapy « Pantarei » Milan, Italy
Licensed Psychotherapist March 2024

AWARDS AND HONORS

Elected to the Board of Arbitrators (*Probiviri*), Italian Society of Narrative Medicine (SIMEN), 2025. Appointed to serve as an impartial advisor and mediator in the resolution of internal matters within the Society.

TEACHING EXPERIENCE

- ECAMPUS UNIVERSITY Novedrate, Italy
Faculty of Psychology, Master's Degree in Psychology, *Theories and techniques of communication between groups*, May 2014-Today. Remote and on-site lectures and seminars;

Faculty of Psychology, Master's Degree in Psychology, *Theories and techniques of the interview and questionnaire*, May 2016-Today. Remote and on-site lectures and seminars;

Faculty of Psychology Bachelor's Degree in Psychology, *Health Psychology*, May 2016-Today. Remote and on-site lectures and seminars;

Faculty of Psychology, Bachelor's Degree in Psychology, *Social Psychology*, May 2016-Today. Remote and on-site lectures and seminars;

TEACHING INTERESTS

Social Psychology, Health Psychology, Health communication, Disability, Narrative Medicine, qualitative and quantitative data collection methods.

LEADERSHIP AND SERVICE

Rector's Delegate for Disability Affairs and Chair of the University Commission for Students with Special Educational Needs (CABES), (e-Campus University), 2021-present

Coordinator of the Master's Degree Program in Psychology, 2016 – present

Coordinator the Master's Degree Program in Pedagogical Sciences, 2016-2017

Committee Member, Quality Assurance and Program Review, Master's Degree in Psychology, e-Campus University, Novedrate, Italy. 2015 – present

Project Implementer for the two-year research project: DOSAGE – "Functioning and Disability Measure of Ageing People with Down Syndrome: the Creation of an Instrument for National and European Implementation", (Jérôme Lejeune Foundation) 2013-2015

PROFESSIONAL EXPERIENCE

ECAMPUS UNIVERSITY

Associate Professor of Social Psychology, Faculty of Psychology

Novedrate, Italy

May 2018-Today

Giving lectures and seminars;

Supervision of under-graduate psychology students;

Tutoring of post-graduate students during their mandatory training as trainee psychologists;
Tutoring of two Ph.D. students during their Ph.D. programme (November 2023-Today).

ECAMPUS UNIVERSITY

Researcher, Faculty of Psychology

Giving lectures and seminars;
Supervision of under-graduate psychology students;
Tutoring of post-graduate students during their mandatory training as trainee psychologists;

Novedrate, Italy
May 2014-April 2018

UNIVERSITY OF KENT

Advanced Training

Department of Psychology, Supervisor: Prof. Robbie Sutton
Research training during the Ph.D. experience.

Canterbury (Uk).
October-November 2007

ORGANIZATION/COMPANY

City, State

Fondazione IRCCS Istituto Neurologico "Carlo Besta"

Research Collaborator

Conducting both quantitative and qualitative research within various projects focused on the psychosocial difficulties experienced by patients with dementia, depression, epilepsy, migraine, multiple sclerosis, Parkinson's disease, and other neurological conditions.

Key responsibilities include:

- Designing research protocols and drafting project proposals
- Administering assessment instruments and data collection protocols
- Analyzing data using SPSS and NVivo software
- Preparing research reports and presenting findings to scientific and clinical audiences

Milan, Italy
(2011-present)

TECHNICAL SKILLS

Comprehensive digital literacy applied to academic research and online collaboration.

Proficient in Microsoft Office Suite (Word, Excel, PowerPoint) and Google Workspace (Docs, Sheets, Slides, Drive, Meet) for the development, management, and dissemination of scientific materials.

Advanced user of statistical software for quantitative data analysis, particularly SPSS and JASP, and experienced in qualitative data analysis using NVivo and T-Lab.

Skilled in the use of digital platforms for distance learning and academic communication, including Moodle, Zoom, and Microsoft Teams.

Adept at managing digital research workflows, organizing virtual teamwork, and integrating diverse tools to support teaching, supervision, and research in fully online university environments.
